

Skills Development Scotland has a web service called **My World of Work**.

There is lots of useful information on this web site to help you plan for your future

At this time when you are choosing subjects for S2 you may find the information on Subject Choice useful

Go to: www.myworldofwork.co.uk/my-career-options/choosing-my-subjects

On this page you will find the **Subject Choice Tool** which you can use to check out careers related to school subjects. There are also links to the articles: '**Why Subject Choice is Important**' and '**Five Big Questions You Should Ask Yourself When Choosing Subjects**'.
