

AGM tuesday 7/09/21 7pm GCH Annex

All three outgoing office bearers (Vanessa, Debbie, and Julie) stood down without option for re-election as they no longer have pupils at the school, applause and thanks went to them for their sterling works to support GHS over many years.

Following a low turn out of committee members Fiona MacKenzie, Lucy Cairney, and Luciana MacLean have agreed to step in as interim officers (Chair, Treasurer, Secretary) to enable the parent council to continue and with the express purpose of rejuvenating energy and engagement of the wider school parent community including active recruitment of new S1 and S2 parents.

Ordinary meeting

Wim gave an inspired and succinct presentation of his vision for the school moving forward and it was suggested we use this to help invigorate energy into the parent council.

We had an informal meeting to generate ideas and work out our next steps by zoom on 29th September.
